MOVES FORWARD TO THE NOVEMBER 4th BALLOT

Street improvements are a top priority to the Village.

A voter-approved bond referendum will enable the Village to address critical areas of Villa Park in need of street reconstruction, rehabilitation and re-surfacing.

Two final presentations will be held to discuss the condition of our roads and proposed roadway improvements.

Join us on the following dates to learn about the Village's plan. These presentations will be located at the Villa Park Library Annex, 317 S. Ardmore and held at:

- **6:30 PM Wednesday, October 8th**
- **6:30 PM Wednesday, October 29th**
