

**SECTION 00500
CONTRACT**

THIS CONTRACT is dated as of the 6th day of June in the year 2008 by and between the **VILLAGE OF VILLA PARK, ILLINOIS** (hereinafter called

OWNER) and DIMEO BROS. INC. doing business as (an individual) or (a partnership) or (a corporation) (hereinafter called CONTRACTOR).

OWNER and CONTRACTOR, in consideration of the mutual covenants hereinafter set forth, agree as follows:

ARTICLE 1. WORK

CONTRACTOR shall complete all Work as specified or indicated in the Contract Documents. The Project for which the Work under the Contract Documents may be the whole or only a part is generally described as follows: **NORTH VILLA LIFT STATION REPLACEMENT PROJECT**

ARTICLE 2. ENGINEER

The Project has been designed by the Burns & McDonnell Engineering Company, Inc. The Village of Villa Park, or his ENGINEER who is to act as OWNER'S representative, assume all duties and responsibilities and have the rights and authority assigned to ENGINEER in the Contract Documents in connection with completion of the Work in accordance with the Contract Documents.

ARTICLE 3 - CONTRACT TIME

3.1. The Work will meet the requirements for Substantial Completion as defined in Article 1 of the Supplementary Conditions within one hundred and eighty (180) calendar days, including Saturdays, Sundays and holidays, from the date when the Contract Time commences to run as provided in Paragraph 2.03 of the General Conditions, and will meet the Requirements for Final Completion and be ready for final payment in accordance with Paragraph 14.07 of the General Conditions within two hundred and ten (210) calendar days, including Saturdays, Sundays and holidays, from the date when the Contract Time commences to run.

3.2. Failure to Complete the Work on Time. OWNER and CONTRACTOR recognize that time is of the essence to the contract and that OWNER will suffer financial loss if the Work is not completed within the calendar days stipulated in the Contract as specified in Paragraph 3.1 above or within such extended time as may have been allowed in accordance with Article 12 of the General Conditions. Should CONTRACTOR fail to complete the Work within the calendar days stipulated in the contract or within such extended time as may have been allowed, CONTRACTOR shall be liable and shall pay OWNER the amount shown in the following schedule of deductions, not as a penalty but as liquidated damages, for each day of overrun in the contract time or such extended time as may have been allowed. This liquidated damages provision, as an obligation to the Owner, shall further apply to the Contractor's Surety. Permitting Contractor or Surety to continue and finish the Work or any part of it after the time fixed for its completion, or

after the date to which the time for completion may have been extended, shall in no way operate as a waiver on the part of Owner of its rights under the Contract. The liquidated damages for failure to complete the contract on time are approximate, due to the impracticality of calculating and proving actual delay costs. This schedule of deductions establishes the cost of delay to account for administration, engineering, inspection, and supervision during periods of extended and delayed performance. The costs of delay represented by this schedule are understood to be a fair and reasonable estimate of the costs that will be borne by OWNER during extended and delayed performance by CONTRACTOR of the Work, remaining incidental work, correction of work improperly completed, or repair of work damaged as a result of CONTRACTOR.

Schedule of Deductions for Each
Day of Overrun in Contract Time

<u>Contract Amount</u>		<u>Daily Charges</u>
<u>From More Than</u>	<u>To and Including</u>	<u>Per Calendar Day</u>

The liquidated damage amount specified will accrue and be assessed for each and every calendar day of overrun, including Saturdays, Sundays and holidays, beyond the number of calendar days stipulated for Substantial Completion in the Contract as specified in Paragraph 3.1 above, until the Work meets the requirements for Substantial Completion. The liquidated damage amount specified will accrue and be assessed for each and every calendar day of overrun, including Saturdays, Sundays and holidays, beyond the number of calendar days stipulated for Final Completion in the Contract as specified in Paragraph 3.1 above, until the Work meets the requirements for Final Completion. OWNER will deduct these liquidated damages from any monies due or to become due to CONTRACTOR from OWNER.
