**THE** charm and homelike aspect of this bungalow will appeal to you. It has received honorable mention in leading architectural magazines. The arrangement of the rooms conforms to the approved bungalow style.

**Main Floor** Note the large living room with mantel back at one end partly separated from the living room by Craftsman colonnades. The main front door is Craftsman design. The dining room has a window seat in the bay window, and also a beamed ceiling and handsome buffet. A door leads from the dining room into the kitchen and another to the hall. The kitchen is equipped with cabinet to serve as pantry. There is a sleeping porch between the rear bedroom and kitchen which can be reached from the hall.

**Basement** Excavated basement under part of house has a concrete floor.

**Height of Ceilings** The basement is 7 feet high from floor to joists. Rooms on the main floor are 9 feet from the floor to the ceiling. Built on a concrete foundation. No. 1 yellow pine frame construction. Sided and roofed with best grade thick red cedar shingles.

We furnish our best "Quality Guarantee" mill work, shown on pages 108 and 109. Interior doors are white pine with brass and flooring is maple, in beautiful grain and color. Windows are made of clear California window glass with good quality glass set in best best grade of putty. Front porch has a concrete floor.

Paint for three coats outside, two coats stain for shingles on sides, four coats of color. Varnish and wood filler for interior finish. Chicago Design hardware, see page 116.

See Description of "Honor Bill" House on Page 1.
