RE: Princeton Avenue Improvement Project June 20th Garbage Pickup

Dear Resident:

RESCHEDULED WASTE PICKUP ON THURSDAY, JUNE 20TH

Due to today's construction operations, waste hauler Roy Strom Company was unable to pick up all of the garbage on North Princeton Avenue between Elm Street and the Union Pacific Railroad. To address this, Roy Strom Company will be returning tomorrow, Thursday, June 20, to pick up any remaining refuse. Other than the rescheduled collection day, all other guidelines pertaining to regular garbage pickup will still apply. As is always required, all refuse must be out and available for pickup by 6:00 AM.

We apologize for the inconvenience that this situation has caused, and thank you again for your cooperation. All questions and comments regarding this issue or the larger project should be directed to the Engineering Division of the Village of Villa Park Public Works Department at (630) 834-8505.
