

MARCH 20, 2020 UPDATE

On March 20, 2020, Illinois Governor JB Pritzker announced [Executive Order 2020- 10](#), which orders all individuals currently living within the state of Illinois to stay at home or their place of residence (shelter in place). The ordinance also states that all non-essential business and operations must cease. In adherence to this order, all Villa Park public parks will be closed to the public.

To clarify: the ordinance asks for all playgrounds to be closed to the public. Public parkways that encourage walking, running, biking (Prairie Path, Great Western Trail, etc.) ARE open and it is encouraged that residents take advantage of outdoor activities while practicing social distancing.
