

MARCH 16, 2020 UPDATE

In light of the directives offered by the state of Illinois and DuPage County offices, and in order to reduce the risk of community spread of the novel virus COVID-19, President Bulthuis has issued a [Declaration of Emergency for the Village of Villa Park](#) in response to the spread of COVID-19 and has directed that all Villa Park public offices be closed to the public until further notice effective March 16, 2020 at 5 p.m.

Residents are **strongly** encouraged to practice recommended health hygiene and social distancing measures, such as working from home when it's an option, staying home as much as possible, and avoiding public transportation or other places where the public is within close contact to one another. These actions will help reduce the number of people who become sick.
