RE: Map Elevation Certificate Correction

Dear Resident:

The Village sent out a letter regarding obtaining an Elevation Certificate that may help to eliminate the need for flood insurance or reduce a future flood insurance rate increase. You received this letter in error as your property was preliminarily mapped into the flood plain. It has since been removed due to efforts by the Village. If you would still like to obtain an Elevation Certificate you may do so through the Village's program.

If you have any questions or would like additional information, please do not hesitate to contact us at (630) 834-8505.

Sincerely,

Vydas Juskelis, P.E.
Public Works Director
