PARK RULES AND REGULATIONS

It is desirable and in the best interest of the citizens of Villa Park that certain rules be established for use of the village parks. All patrons are requested to comply with the following:

1. Pets must be on a leash.
2. Alcoholic beverages are not allowed in any park or facility.
3. Driving or parking is not allowed in any grass or sports field.
4. For park hours and locations, please see page 7.

Any section or part of any park may be declared closed to the public by the Director of Parks and Recreation at any time for any interval of time.

Building and Park Rental

The Villa Park Recreation Center is available for rent. In addition, we have many neighborhood park locations for your celebrations.

Rotary Park has some picnic amenities, including restroom facilities, and a picnic shelter. This centrally located park has enough parking to easily accommodate 20 cars, too.

Another great location for a family gathering is Twin Lakes Park. Located in the north central section of the village, this park has a playground, picnic shelter, two lakes for fishing, soccer and baseball fields, natural areas, restrooms, and on-site parking.

We also rent party equipment bags that contain a variety of sports equipment to make your outdoor party even more FUN! Rental forms are available at the Villa Park Recreation Center. Call 630-749-3200 for rental fees, availability and rental regulations. Requests are accepted on a first come, first served basis.

Vandalism

Please notify **VILLA PARK • Parks and Recreation** immediately if you see broken play equipment, damaged park benches or vandalism to athletic fields or any park facilities. You can do this by visiting invillapark.com and completing a service request. You can also submit a request through the MyVillaPark app where you can include pictures and track your request.

General Information

Americans with Disabilities Act

We comply with the Americans with Disabilities Act (ADA), which prohibits discrimination on the basis of disability. ADA requires that all recreation programs and services through the Village of Villa Park be available in the most integrated setting appropriate for each individual.

We work cooperatively with the Northeast DuPage Special Recreation Association (NEDSRA) to provide a "leisure buddy," or other service for those individuals requiring assistance for participation in our programs. For those with special needs, the support and encouragement provided by the leisure buddy may be the key ingredient to enjoyment and successful participation.

If any special accommodations are necessary for participation in any of our programs, or to receive any service available through the Village of Villa Park, please notify someone on the village staff upon registration.

Accidents & Injuries Policy

The Village of Villa Park does not provide medical insurance coverage for injuries suffered while participating in recreation programs or while using park facilities. The Village, therefore, assumes no responsibility for personal injury while participating in recreation programs or while using park facilities.

Speakers Bureau

VILLA PARK • Parks & Recreation staff welcome invitations to speak at your club or organization's next meeting. Presentations include discussion of recreation programs, park facilities and other aspects of the Recreation Division. Please call 630-749-3200 to arrange for a speaker.

Photo Policy

Photographs and videos are periodically taken of participants while they are engaged in programs, special events, or enjoying the parks. Please be aware that these photos may appear in the local newspapers and/or **VILLA PARK • Parks and Recreation** publications, including our website.

Pesticide Information

VILLA PARK • Parks & Recreation is committed to providing quality trees, shrubs and turf areas in our Parks. As part of the maintenance program, chemical applications are necessary to control weeds and insects and to stimulate plant growth. The Department's staff is licensed by the State of Illinois to apply the chemicals in the Parks. This license is provided after the successful completion of training and testing by the Department of Agriculture. Generally, broadleaf weeds are treated as needed. All treated areas are posted for twenty-four (24) hours after application. Anyone who would like additional information regarding pesticide applications should call the Parks Division at 630-834-3051.

For dancers ages 2.5-3, this is a 30-minute Ballet & Creative Movement class. Students exercise and dance together, work on gross motor skills and enjoy time together with their friends.

Creative Dance

Creative Dance introduces dance and encouragement of self-expression for our youngest dancers. Instruction includes developmentally appropriate activities in movement, music, coordination and an introduction to ballet.

Adult & Me

Adult & Me classes involve lots of imagination and games to keep the interest and attention of young students. Children use large motor skill movements such as jumping, skipping and hopping, all while becoming aware of music and rhythm.

Pre-Ballet

Pre-Ballet's major goal is to experience the joy of dance, enrich skills and learn to appreciate this art. Simple ballet steps are taught as well as the five ballet positions. Skills are completed both at the barre and in the center of the floor. Basic arm positions are introduced. Students continue to work on concepts learned in Creative Dance, but with greater complexity and more emphasis on elementary ballet steps. Ballet shoes required.

Beginner Ballet

Dancers will increase knowledge of proper alignment and positioning through skills in barre, center, adagio and allegro. Beginners need no prior experience. Ballet shoes required.

Jazzy Juniors

Beginner dancers need no prior experience and receive basic and fundamental training in the varied forms of expression in jazz dance. Jazz shoes required. Ballet shoes may not be substituted for jazz shoes.

Hip Hop

In this dynamic upbeat class, dancers will learn hip hop technique and choreography. Dancers develop rhythm, coordination, and self-expression. Dancers need black gym shoes or black jazz shoes.

Modern

Dancers will learn a style of dance, free from the restrictions of ballet, where students dance barefoot while exploring their use of gravity. Class curriculum will include an introduction to various styles of modern techniques. Dancers work barefoot.

Please note that minimum registration numbers need to be met for each class in order for them to run. To avoid having to cancel/combine classes or be put on a wait list, we strongly encourage signing up early for classes.

Mindfulness Mondays - Online

Mindfulness helps people participate fully in their lives by maintaining a moment-to-moment awareness of their thoughts and feelings. This can help bring around a state of calmness and well-being. Clinical studies have shown that mindfulness, can bring many physical, psychological and social benefits. Participants can experience reduced worry, stress, fear, anger, anxiety and depression, improvements in attention, blood pressure and chronic pain. Using guided imagery to create a state of deep relaxation and acceptance, we tune into what we experience in the moment rather than rehashing the past or worrying about the future. We pay attention to our thoughts and feelings without judgment. An audio connection via telephone or computer to Zoom is all that is required. The login and passcode will be emailed after registration.

Hidden Gem in Villa Park
Skate Park – Open from 6 am to sunset
 365 days of the year, weather permitting
evergreenskateparks.com/villa-park-illinois-skatepark

SKATE PARK SAFETY REMINDERS | Stay safe by following these rules:

- The American Academy of Pediatrics cautions that children younger than 5 should not skateboard at all, and children ages 6 to 10 should skateboard with adult supervision.
- Wear protective equipment and watch out for others! Head injuries can be serious!
- Be considerate of other skateboarders, especially those who are younger or less skilled.
- In a multi-use area, skate on the right side and pass on the left, and be cautious of others using the same area
- Look before you leap and give fair warning! If you lose control of your board, scooter, or bike yell “WATCH OUT” to warn others. This is no time to be shy! Don’t be afraid to scream it out.
- Take turns. If you accidentally snake someone, get out of their way as soon as possible and apologize. Snaking occurs when you get in the way of another skateboarder while they are in the middle of their run.
- Please keep metal bike pegs and muddy tires OUT of the skate park.
- Do not use headphones when skateboarding.
- Never put more than one person on a skateboard.

LEARN TO FALL

Did you know that falling is an art?

Even experienced skateboarders fall – a lot. They most frequently are injured in falls caused by rocks and irregular surfaces. If done properly, falling doesn’t have to result in serious injury.

- If you feel like you’re about to lose control, crouch down so you don’t have as far to fall
- Try to land on the fleshy parts of your body
- Try to roll rather than absorbing the force with your arms
- Try to relax your body rather than going stiff
- Practice falling on a soft surface or grass

Garden Plots

Villa Park's community gardens are popular with area gardeners. Plots are available for community members or organizations who want to grow vegetables and plants. The plots are 10'x10' and are located at Westmore Park, 500 N. Westmore. A water tank is on site for easy watering of the plots. The plots are tilled and staked prior to the season; weeding and maintenance is the gardener's responsibility during the season. Plots are \$10 and sold on a first come first serve basis either online or at the Villa Park Recreation Center.

Gardeners who had a plot in the 2024 season can register now; open registration for new gardeners begins January 6. \$10 PER GARDEN PLOT
