

2022-2023 Registration Information

Our Department of Child and Family Services (DCFS) licensed preschool program is for children 3, 4 and 5 years of age. We encourage the growth and development of your child at his/her individual level through varied activities and experiences. Our goal is to supplement and extend early home experiences in an environment planned to further your child's development through play and learning with their peers. Your child will have the opportunity to explore, discover and achieve in a relaxed atmosphere with qualified and concerned teachers serving as guides. We require that all participants meet the age requirements listed below and be able to use the restroom independently by the first day of school.
