The Parks and Recreation Dept. offers a Memorial Program with different options to celebrate a special occasion, honor someone or remember a loved one. You have the choice of purchasing a tree, bench or brick as a dedication or memorial to be placed at one of our Parks. If you are looking for a special way to commemorate a birth, celebrate a holiday, honor a friend or remember a loved one, the Park and Recreation Department invites you to participate in our Program. Our Park Staff will offer you an option of several tree species or bench suitable for your selected site. If you choose placement on the Prairie Path, there will be an additional fee of up to \$100.00, which is a permitting fee imposed by the DuPage County Department of Transportation. Costs will include the purchase, planting/installation and upkeep fee. To order or for more information please call Supt. Brian Roche at 630-834-3051 and/or email your application to broche@invillapark.com.

Memorial Tree

You can chose a tree from the list below and the Parks staff will plant it in Spring (March 1 deadline) and Fall (September 1 deadline) depending upon the appropriate planting season. In the event the tree dies within the first three years of purchase, the Parks Division will replace it at no cost. After the three years the Parks division will work with the resident in the event something happens to the tree. Tree costs vary depending on species, location, material and disposal. Please call to receive a more accurate tree quote. For additional information on tree planting on DuPage County property please visit <https://www.dupageco.org/DOT/Docs/17785/>
