

ONLINE Magic Class

Now you see it...now you don't!

Professional magician Gary Kantor now teaches his popular magic class ONLINE. This 45-minute online class teaches children how to perform a number of mind-boggling tricks using everyday household items. Gary will start by explaining the secrets to the tricks, and then both Gary and the children will practice everything in great detail. The children will have a blast as they learn exactly what to say and do when performing in front of an audience. And since this class is online, it can be taken whenever it is convenient for your schedule. And the videos can be watched again and again. Your entire family can even take this class together! Additionally, be sure to sign up for this class again since new tricks are taught each session. When you register, you will be told the household items that are needed for the class.
