Waiver

Waiver/Release of All Claims and Emergency Treatment Permission

Please read this form carefully and be aware that by signing this form and participating in the programs listed that you will be waiving and releasing all claims for injuries you or your children might sustain arising out of these programs.

Release and Hold Harmless Agreement

As a participant in this Villa Park Recreation Department program, I recognize and acknowledge that there are certain risks of injury and I waive and relinquish all claims I or my children may have as a result of participating in this program against the Village of Villa Park and its officials (either elected or appointed), commissioners, officers, agents, employees, and volunteers. I further agree to indemnify, hold harmless and defend the Village of Villa Park and its officials (either elected or appointed), commissioners, officers, agents, employees, and volunteers from and against any and all claims, suits, or cause of actions, including reasonable attorney's fees, sustained or caused by myself or my children arising out of, in connection with, or in any way associated with the activities of this program.

I give my child permission to participate in this program, and on the child's behalf as parent and/or legal guardian I hereby waive, release and forever discharge any and all claims against the Village of Villa Park and its officials (either elected or appointed), commissioners, officers, agents, employees, and volunteers for damages and/or injuries which may arise from my child's participation in this program.

Emergency Treatment Permission

I understand that a minor may not be treated, even in an emergency situation, except when, in the opinion of the attending physician, life is in the balance. Consent of a parent or legal guardian is necessary for unmarried minors (under 18) except in such cases. Written consent is required for all other treatment.

Accordingly, as a parent and/or legal guardian, I do herewith authorize the treatment of the minor enrolling in this program in the event of a medical emergency, including administration of first aid, as appropriate, and further agree that I will be responsible for payment of any and all medical services rendered. I understand that the Village does not provide medical insurance for program participants.

I agree that any person or entity, including any doctor, or healthcare provider, may rely on a photocopy of this document the same as if it were an original.

Acknowledgement

I have read and fully understand the registration policies, the "Release and Hold Harmless Agreement" and the "Emergency Treatment Permission". This release and medical authorization form is completed and signed of my own free will even though I understand it is a requirement for participation in this program. I represent to the Village of Villa Park that I am familiar with the program and its physical demands and I attest and verify that the participant, whether myself or my child is physically fit for this program.

Photo Consent

I understand and give my consent for me and/or my child to be photographed while participating in a Village of Villa Park Recreation Department program. I understand that these photos may be used in printed materials and on the Park and Recreation website for publicity purposes.

This waiver must be signed by all participating adults 18 years and over, and by a parent or guardian for each participant under the age of 18. If registering a minor participant, I further attest that I have read these instructions to my minor child/ward.

REVISED FALL VILLA PARK YOUTH BASKETBALL PROGRAM

Due to the updated and attached **RESTORE ILLINOIS** All Sports Guidance issued by Governor Pritzker on July 29, 2020, Villa Park Youth Basketball is being restructured to give participants an opportunity to build basketball skills without compromising participant wellness. To mitigate the spread of COVID-19, Villa Park has also issued (the below) Participation Protocols for Outdoor Activities.

Coronavirus/COVID-19 Participation Protocols

Fall Basketball Program

After Governor Pritzker amended the RESTORE ILLINOIS Five-Phase Plan on July 29, 2020 with “All Sports Guidance,” the Village of Villa Park has updated participation protocols.

The health and well-being of our recreation participants and staff remains our top priority. In order to make an effort to mitigate the spread of COVID-19 we are enforcing these protocols.

1. Do not participate in outdoor programs if you have been exposed to or have experienced symptoms of the COVID19 virus in the last 14 days.
2. **Face Coverings:**
 - a. Everyone must wear a face covering over the mouth and nose when appropriate social distancing is not possible.
 - b. Face coverings can be removed once set in class and appropriately social distanced.
 - c. Participants engaging in “Intra-team scrimmages” are not required to wear face coverings outdoor.
3. **Sanitizing:**
 - a. Come to class with sanitized hands.
 - b. Avoid touching face and use hand sanitizer frequently during class.
 - c. Assist with disinfecting frequently touched surfaces and equipment.
 - d. Label and keep track of your water bottle. – Public water fountains are not available.
4. **Spectators** are welcome to outdoor programs when proper social distancing and face coverings are practiced. Family members living in the same home can congregate without face coverings.
5. **The indoor spectator space** is limited to one adult per player maintaining 6 feet of social distance with a face covering over mouth and nose.

From the CDC Website

COVID-19 is thought to spread mainly through close contact from person-to-person. Some people without symptoms may be able to spread the virus.

Person-to-Person Spread

- Through respiratory droplets produced when an infected person coughs, sneezes, or talks.
 - These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs.
- Between people who are in close contact with one another.
 - [Close contact](#) is defined as any individual who was within 6 feet of an infected person for at least 15 minutes starting from 2 days before illness onset (or, for asymptomatic patients, 2 days prior to positive specimen collection) until the time the patient is isolated.

Spread on Frequently Touched Surfaces

- It may be possible that a person can get COVID-19 by touching a surface or object that has the virus on it and then touching their own mouth, nose, or possibly their eyes.
- The CDC continues to learn more about how COVID-19 spreads.
