

PRESCHOOL 2022-2023 School Year

Our program is designed to give children ages 3-5 the advantage needed to succeed in school. Our enthusiastic teachers genuinely care about and understand each child's individual developmental needs and learning styles. They take the time to help each child discover, in his or her own way, a fascinating world of learning and play.

Children must be toilet independent and proper age by first day of school.

CHILDREN WILL LEARN:

- Personal, social and life skills by following one-or two-step directions and managing transitions
- Language and literacy skills by using pictures to communicate ideas and by listening with interest to stories read aloud
- Mathematical thinking by working with patterns, sorting, number concepts and spatial relations
- Gross motor skills by riding a tricycle, jumping on gym mats and climbing on playground equipment
- Fine motor skills by copying their first name, cutting with scissors and playing with playdough.
- Fine arts by identifying colors, participating in group music and taking on pretend roles and situations

- Lunch is provided if your child is with us at 12 noon with an additional fee of \$7/day.

- Reservations are scheduled at the top of each hour with a 2-hour minimum.
- A non-refundable registration fee of \$40 per family is due at registration and then annually on September 1.

We know that child safety and security is as important as academics and creative activities. All day care rooms are located in a secure hallway with monitored entry. The early childhood wing also houses our preschool program and many early childhood specialty classes. As an added benefit, Funtime Junction staff will escort your child to any on-site classes they take while in our care.

Both the Preschool and Funtime Junction programs are licensed by the Illinois Department of Children and Family Services.
